

2009 Canada CAREER WEEK FAIR

The 2009 Canada Career Week Fair is looking for presentations and workshops for our Main Stage. A Main Stage schedule will be printed in the Edmonton Journal Canada Career Week Fair supplement.

The CCW Steering Committee welcomes your suggestions, and will be making a selection from entries in early September 2009. You may submit up to two ideas. Please forward your suggestions to clare@curriecom.com or by fax to 780.486.0285 by August 25th, 2009.

Please remember that the objective of the Canada Career Week Fair Main Stage is to bring career information and job skills 'to life', and is not intended as a platform for self promotion. Learning outcomes, and interactivity are a consideration for selection. Your company will be given credit as the presenting organization in the Show Guide.
